Wireframe - 1

The wireframe shows a header with the Soignemoi logo. Below it is a main section divided into two parts: 'Connexion' on the left and 'Inscription' on the right. Both sections contain input fields for email, password, and other personal information. At the bottom of the main section are 'Connexion' and 'Inscription' buttons. The footer contains copyright information, contact details, and social media icons for Facebook, LinkedIn, and TikTok.

iPhone 14 & 15 Pro Max - 1

The image displays a mobile wireframe for the hospitalMobil app, consisting of two screens. The top screen is a login page for 'iPhone 14 & 15 Pro Max - 1'. It features a logo at the top, followed by input fields for 'Email' and 'Mot de passe' (password). Below these is a 'Connexion' (Login) button. The bottom screen is for 'iPhone 14 & 15 Pro Max - 1' and shows a 'consultation' section. It includes three dropdown menus: 'Selectionner un patient', 'Selectionner un séjour', and 'Selectionner un médecin'. Below these are buttons for 'Ajouter un Avis' (Add Review) and 'Ajouter une Prescription' (Add Prescription). The 'Ajouter un Avis' section contains fields for 'Date de l'avis', 'Date', 'Description', and a 'Enregistrer l'avis' (Save review) button. The 'Ajouter une Prescription' section contains fields for 'Médicament', 'Posologie', 'date début traitement', 'date fin traitement', 'soigné ?' (Is treated?), and a 'Enregistrer la prescription' (Save prescription) button.

## Wireframe Desktop

The image displays two wireframe screenshots of a desktop application, likely created using a tool like Balsamiq or Sketch.

**Screenshot 1: Login Screen**

This wireframe shows a login form titled "Connexion espace secrétariat". It features a logo at the top center, followed by input fields for "Email" and "Mot de passe", and a "Connexion" button at the bottom.

**Screenshot 2: Consultation Form**

This wireframe shows a consultation form. On the left, there are two tables: "Entrées" and "Sorties". The "Entrées" table has columns "id" and "nom", with one row containing "7" and "Exemple". The "Sorties" table has columns "id" and "nom", with three empty rows. A callout points from the "Exemple" cell in the "Entrées" table to a modal window titled "Détails patient". The modal contains fields for Nom, Prénom, Email, Adresse, Consultation (with Description), Prescription (with Medicament prescrit, Posologie, Date début prescription, and Date fin prescription), and a "Close" button.
